

YOUNG ENTERPRISE TEAMS DOMINATE AT COUNTY FINALS

TEAM 'NEORLA' NAMED OVERALL SHROPSHIRE WINNERS!

HEAD'S LINES

Over the past fortnight, the sun has finally made a welcome appearance in Newport, and it has been lovely to see how quickly our students have made the most of it. Our outdoor spaces have been full at break and lunchtime, with the field awash with activity, from badminton and volleyball to catch and some impressive giant skipping games. A particular thank you goes to Mrs Roberts for arriving one morning with a bag full of equipment, which has kept so many students active and entertained. Moments like these are a simple but important reminder of the value of space, fresh air and time to connect with friends.

We are also now well into the exam period. The last two weeks have seen Art exams taking place, alongside Modern Foreign Languages orals and Year 12 assessments. These mark the start of a demanding but important time for many of our students. I would like to thank the wider school community for the care and consideration shown during this period, particularly through following signage and helping to keep corridors and shared spaces calm and quiet. These small actions make a real difference to those sitting exams and to the atmosphere across school.

Today marks the final day in school for our Year 11 students. They have enjoyed coming together at lunchtime before finishing the day with a game of rounders, a fitting way to end their time with us in lessons. I would like to wish every one of them the very best of luck for the weeks ahead and to thank them for the contribution they have made to school life over the past five years. Year 13 students are also approaching their final days in school, with study leave beginning next week, and we wish them well as they enter this final stage of their courses.

Finally, I had the privilege this week of holding a London Marathon medal. It was not my own, but belonged to our Year 13 student Mia S, who has completed her first marathon and raised over £1,000 for Children With Cancer UK. Her determination and generosity are hugely inspiring, and I suspect she may yet persuade me to follow her example before too long. With the bank holiday weekend ahead, I wish you all an enjoyable and restful few days.

**Best wishes,
Mr Jones
Headteacher**

A MESSAGE FROM THE HEAD GIRL

Darcey G (Head Girl)

Hi everyone, I'm Darcey, and I'm really excited to be your Head Girl this year. It's a huge privilege to represent the school, and I'm genuinely grateful for the opportunity. I'm looking forward to the year ahead and everything we can achieve together as a school community.

At the moment in school, a lot of the focus is on exams for Years 11 and 13. I know how full on this time can be, but it's been really good to see how much effort people have been putting in (it's safe to say the Centenary Hall has been busy! There's a real sense of determination across the school, but what's stood out even more is how people are supporting each other, whether that's helping with revision, encouraging friends, or even just being there when it's needed. It really shows the strength of our school community.

It is also important to remember that exams aren't everything! Grades don't define you and looking after yourself matters just as much. It's easy to get caught up in the pressure, but you've all already come so far, and that's something to be proud of.

Make sure you're using the support around you whether that's teachers, friends, or family. Don't be afraid to ask for help if you need it!

From me and the Head Girl team, good luck to everyone sitting exams this term. Just do your best, stay positive, and remember how much you've already achieved.

MEET THE NEW HOUSE TEAMS

SEACOLE

The house system is one of the best aspects of school life at NGHS, allowing students from all year groups to come together and collaborate towards large-scale projects, have fun and celebrate our wins. Our team including myself **Anna R (House Captain)**, **Alanna D (Deputy House captain)**, **Calen P (Music Captain)**, **Emily G (Drama Captain)**, **Helena T(Charities Captain)**, **Lucie H (Sports Captain)** and **Issy T(Communications Captain)** strives to create an environment where every single student feels motivated to take part & make valuable contributions to our community.

Seacole is named after the inspirational Mary Seacole, a nurse in the Crimean war who treated wounded soldiers behind the frontlines despite facing systemic racism & sexism in her everyday life. Mary Seacole continues to act as a role model for our house, as we hope to reflect her commitment & dedication to her community within every house event that we do. From House Music to Sports day, there are opportunities for students of all strengths and personalities to get involved in, and we encourage everyone to participate in as many events as possible to ensure success for Seacole this year. With our amazing team and the help of all students, we hope to make house events enjoyable & foster a highly competitive (but supportive!) environment to help Seacole achieve above and beyond. We are all so excited to begin this journey, hoping that our efforts will reflect in our hard work so that we can secure the house cup once again! **Anna R, Year 12, Seacole House Captain**

We hope to continue the legacy of previous teams and although the bar is set high, we are motivated to help steer Austen towards victory and of course maintain our 12-year sports day winning streak! **Izzy W, Austen House Captain**

INTRODUCING OUR ATTENDANCE OFFICERS

Dan Santopietro

Kiran Kang

Our Education Welfare Officers have been appointed to work alongside families and students, helping to encourage strong school attendance and address any issues affecting attendance and welfare at school. They will collaborate closely with Mrs Taylor (Attendance Officer) and Mrs Birch (SLT lead for attendance), and will also liaise with the local authority on matters such as unauthorised term-time holidays, persistent absence (below 90%), child employment, elective home education, and legal concerns related to attendance.

We will involve the Education Welfare Officers in cases where previous efforts to improve attendance have not been successful and where additional support or intervention may be needed for the child or their family. **Mrs H Birch, Assistant Headteacher**

THE HIDDEN DANGERS OF PINTEREST - A NOTE FOR PARENTS

Pinterest is often seen as a calm and creative space online. Unlike platforms such as Instagram or TikTok, it hasn't attracted the same level of attention, and many parents view it as a safe place for browsing and sharing ideas.

However, it's worth being aware that, like many apps, Pinterest includes features that may not be immediately obvious. A recent blog from the Canadian digital safety organisation White Hatter highlighted cases where young people had used Pinterest's direct messaging function to share personal images—something their parents were unaware was possible on the platform.

This serves as a helpful reminder that a number of apps that appear to focus on creativity or inspiration—such as Pinterest, VSCO, Tumblr, Lemon8, Canva, and Amino—may also include messaging or social features.

A useful question for families to consider is not just which apps children are using, but what those apps allow them to do. Open conversations at home can help ensure children are using these platforms safely and confidently. **Mrs H Birch, Assistant Headteacher**

YEAR 13 STUDENTS RAISES OVER £1,000 AT LONDON MARATHON!

On Sunday 26th April, Year 13 student, Mia S, achieved the phenomenal feat of completing the London Marathon! She ran to raise funds for Children with Cancer UK and raised over £1,000!

Everyone here at NGHS is so proud of Mia's efforts and she chose the charity because of her personal experience of two close friends who have suffered with cancer.

Mia commented that the marathon was the hardest thing she had ever done but had the consolation of taking part in the first ever marathon that was completed in under two hours - so she is part of a record breaking day. Well done Mia!

YOUNG ENTERPRISE COUNTY FINALS!

Wednesday 29th April saw the three NGHS Young Enterprise Teams (Neorla, The Finer Things and Bloomi) travel the short distance to Harper Adams University for the Shropshire County Finals. Suffice to say, it was a fantastic day with NGHS claiming the overall first and second places!

This is the third consecutive year that NGHS have won the Shropshire Young Enterprise title. They also won seven of the nine specialist awards and these were:

Best Financial Management – The Finer Things

Best Presentation – Bloomi

Innovation and Creativity – Bloomi

Company of the Year Runner Up – Bloomi

Sustainability – Neorla

Student Choice Award – Neorla

Company of the Year – Neorla

Over the following pages you can read the individual reports from the teams and Neorla will now be representing Shropshire at the West Midlands Final with their eyes firmly set on the National Finals in Cardiff later in the term!

BLOOMI COUNTY RUNNER UP

Bloomi came away from the Shropshire final with the Innovation and Creativity and Best Presentation awards as well as being runners-up for the Company of the Year award. Beyond our awards, this journey has given us invaluable skills, experiences, and friendships.

As Managing Director of Bloomi, I would like to take this opportunity to thank everyone who has been a part of that journey. Our list of people to thank is far too long to write, but a special thank you goes to Tony, our business advisor and Mr. Bentley for all their support and guidance along the way.

I am so incredibly proud of my entire team and whilst this is a bittersweet end to our Young Enterprise experience, I am very grateful to have been able to take part in this programme with such an amazing group of people!

We are (and always will be) Bloomi. Light it. Love it. Live it. **Report by Florence B, MD, Bloomi**

THE FINER THINGS COUNTY FINALISTS

On Wednesday 29th April, we had an amazing time at the Young Enterprise Shropshire Finals, held at Harper Adams University. Half of us went at the start of the day to set up our stall, while the rest joined later on as we had a morning exam - more stress than we would've liked.

After an interview and our pitch, we were crowned Best Financially Managed Team in Shropshire. Competition was tight, and we're all so proud of Neorla for their success and hope they go on to claim even more trophies! It's been a great ride since our teams were formed (definitely with some stresses we want to forget) but we're so glad that we had this opportunity. **Report by Lara C, The Finer Things**

NEORLA *OVERALL SHROPSHIRE WINNERS!*

Neorla had a fantastic day at The Shropshire Finals, hosted by Harper Adams on Wednesday! Despite it being in the middle of exam week, and half our team having a maths exam beforehand, we still managed to make the day a success. This included running our stall to staff and students as well as the judges, alongside the free food-tasting provided by Harper which definitely made the long and stressful day worth it!

Our pitching and presentation proved successful, and it was great to see how enthusiastic everyone seemed about our social message and the work we are doing.

We also participated in an interview which although a little intimidating, delivering great feedback which we will now carry forward with us to keep on improving.

As for the results, we were thrilled to be awarded overall Shropshire Company of the Year, as well as winning the sustainability and student choice award from mystery shoppers! We will now move onto the Regional Finals on 20th May, and we are determined to win! **Daisy Robinson, Marketing Director, Neorla**

NETBALL REPORT

Haberdashers'
ADAMS

VS

Newport Girls'
High School
Academy Trust

On Tuesday 21st April, our Year 7 and Year 8 Netball teams went across to Haberdashers Adams for a friendly fixture.

There was some fantastic netball displayed by all the teams. Our Year 8's stormed to victory with a very convincing win. Our Year 7 team had to put up a good fight, the game began goal for goal but we pulled away in the fourth quarter for another convincing win.

I am very proud of all of our players for showing outstanding skills, teamwork and sportsmanship.

HOW TO GET IN TOUCH!

COMMUNICATION WITH SCHOOL

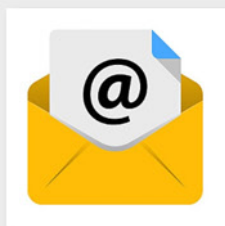

Over the course of the year, we will communicate with you in a variety of ways:

- Every two weeks, we publish **Newport News** on the school website. This document includes news from school, highlights upcoming events, and recent achievements. A link to each edition is sent home by email.
- An annual **Parents' Evening** to update you on your daughter's progress.
- **Grade sheets** and/or **written reports** to update you on your daughter's progress.
- An annual **parent information evening** to outline the key information relevant to each year group. This is in person for Year 7 and remote for other year groups.
- Relevant **letters** to your daughter are sent home via email.
- If teaching or pastoral staff have any concerns relating to your daughter, they will contact you **by phone** or **email**.

Occasions may arise when you need to contact the school to share information or raise concerns. There are several ways in which you can do this, including:

- By telephone – **01952 797550** – If possible, your call will be put through to an appropriate member of staff. Where this is not possible (member of staff is teaching/not in school/unavailable), a message will be taken and passed to an appropriate member of staff. You should expect a response to your call within 24 hours.
- By email – **schooloffice@nghs.org.uk** – You will receive an acknowledgement email once this has been received and be notified that the email has been passed to the appropriate member of staff (this may not always be to whom the email was addressed). You should then expect a response within 24-48 hours of this acknowledgement.
- By **letter** to the school.
- By **recording a note** in the communication section of your daughter's **planner** to be shared with a member of staff.

During school holidays, reception is closed and phone calls/emails cannot be responded to until we return to school. During the school holidays, **urgent@nghs.org.uk** is available to communicate key urgent information; it should not be used to send routine enquiries that can be responded to when school is open again. This account will be checked once every 24 hours by a senior member of staff. They will then make an appropriate response to any email that has been received.
