

COURSE REQUIREMENTS

Previous knowledge of the subject is not a requirement, as some of the topics are new to all students. Instead, a genuine interest and enthusiasm, initiative, critical thinking and debate are more valuable skills.

OPPORTUNITIES AFTER THE COURSE

History is a subject that encourages students to critically evaluate and interpret evidence from the past in order to develop reasoned hypotheses and form balanced judgments. With such transferable skills, History therefore provides an excellent foundation for various higher education courses, as well as increasing employability in a range of career areas, especially those that require developed communication skills. Some examples include: Journalism, Law, Politics and Management.
