- Get your views on what you think our RSE curriculum should cover

What are the new RSE requirements?

We **must** provide the following to all pupils:

What does our curriculum look like now?

- What are your thoughts on our current curriculum for RSE and personal, social, health and economic (PSHE) education? Do you think this curriculum meets your child's needs?
- What do we do well? What could we do better?
- Is there anything we're not covering that you think we need to address?
- Is there something we could cover more / less?
- What do you think about the way we currently deliver RSE to pupils?
- As a parent, do you feel like you need more information or guidance on specific topics?

What happens next?

We're also getting feedback from:

- Staff
- Pupils
- Governors

Once we've considered all the feedback we will redraft the RSE policy and curriculum plan.

The formal consultation period is running until 30th June and then the updates will be completed.

Please use the following link to complete the survey which allows you to share your feedback about our existing RSE programmes and the proposed policy and curriculum maps:
