Dear Student/Parent/Carer

At Newport Girls' High School we sometimes take photographs/videos of students. We use these images in the following ways:

- On the school website
- On our social media accounts i.e. Facebook, Twitter
- In our school newsletter which is published on our website
- On displays around school e.g. sports team photos, photos from trips, prize winners etc.
- In school publications e.g. prospectus
- In local media e.g. Shropshire Star
- We also have a photographer in school on occasion to take group/class photos and whole school photos which are then sent to families with the option to purchase

We would like your consent to take photos/videos of you/your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem, we will accommodate your preferences.

If you change your mind at any time and wish to withdraw consent, or have any questions regarding how and why we use images, please come and see me. We will ask you to re-consent periodically.

We will store and use images in line with our Records Retention Schedule which can be accessed, along with our Privacy Notices, online at www.nghs.org.uk

Please complete the attached form and return it to the school office.

Yours sincerely
